## FIRE PROCEDURES

If you are the first one to notice a fire – here is what you need to do:

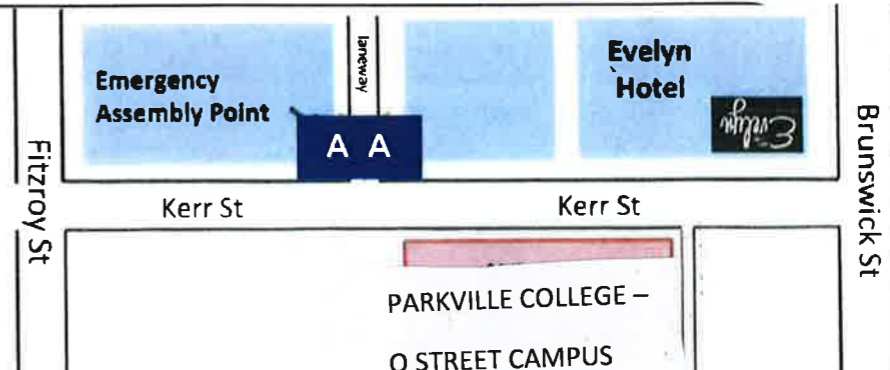

- Assist any person in immediate danger (ONLY if SAFE to do so)
- Close the door to help contain the fire
- Phone the Fire Brigade on 000
- Notify a Fire Warden
- Evacuate to assembly area (and stay until given the all clear).

The fire Wardens will then take over from there – they have all be trained and will co-ordinate the response.
